RE: End Use – End User Certification for TI Products

NURDSpace, a non-governmental technology incubator engaged in the business of developing novel integrative lifestyle technologies hereby certifies that that the following articles requested by us from TI are for the end use, end user, and country of ultimate destination described below:

TI Part Number	Item Description	Quantity
<u>CD74HC4067</u>	High Speed CMOS 16-Channel Analog Multiplexer/Demultiplexer	3
<u>CC3000</u>	SimpleLink Wi-Fi Module from Texas Instruments	1
<u>TRF7960</u>	Multi-Standard Fully Integrated 13.56-MHz RFID AFE and Data Framing Reader System	1
<u>WL1835MOD</u>	Experimental TI WiLink Single Band Combo 2x2 MIMO WiFi, BT & BLE Module	1
<u>LMX9830</u>	Bluetooth Serial Port Module	1

End User: Gwen Dawes, a non-government entity
The Netherlands

End Use: The TI samples will be used in researching, developing and designing end-user telecommunications equipment components where the TI parts are intended to function as wireless beacons/APs in personal appliances used in non-military/commercial telecommunications.

Ultimate Destination The Netherlands

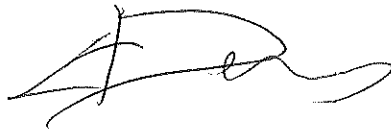

We hereby further certify that these products will **not** be used in any way for or in proliferation activities associated with biological, chemical, and/or nuclear weapons or missile technology or activities/technologies capable of delivering such weapons nor will they be resold (at all, or) if we know or suspect they are intended or likely to be used for such purposes.

The goods will not be resold, transferred, re-exported, or otherwise disposed of contrary to US export regulations or the statements made above.

We certify that all the facts contained in this statement are true and correct to the best of our knowledge and we do not know of any additional facts that are inconsistent with the above statements. We shall promptly send a new, replacement statement to TI disclosing any material change of facts or intentions that may subsequently occur.

Hereby certified on behalf of NURDSpace
